

Chatting With James R.

CUSTOMER:

I'm looking to trade in my car and get a larger one, probably an SUV.

ACTIVENGAGE AGENT:

Hi Jessica, thanks for messaging with us today! My name is James. I'd be happy to assist you with your trade!

We're always looking to expand our trade-in inventory. Is there a particular SUV or vehicle that you're interested in learning more about?

CUSTOMER:

Thanks James! I'm just looking to get a car with bigger trunk space. I've outgrown my current car!

ACTIVENGAGE AGENT:

I totally get it, sometimes I have to borrow my brother's SUV when I have to haul something big like a TV. Just a moment while I pull up some SUV options for you!

CUSTOMER:

Sounds perfect, thanks!

A composite image illustrating the service. On the left, a white chat window is overlaid on a light blue background. The chat window has a dark header with the text "LIVE CHAT WITH: JAMES" and a dropdown arrow. The chat history shows three messages: a grey bubble asking "Were you considering trading in any vehicles towards this model that I should note?", a teal bubble replying "Yes my current vehicle is a 2014 SUV.", and a grey bubble replying "Okay! We are always looking to expand our pre-owned inventory and are happy to consider your SUV towards this!". Below the chat is a circular profile picture of a man with glasses and a beard, with a teal speech bubble containing the letters "ae" next to it. At the bottom of the chat window is a text input field with the placeholder "Type your message here." and a teal "SEND" button. On the right, a woman with short brown hair, wearing a light green shirt and yellow pants, is smiling and looking at a yellow smartphone. A teal L-shaped graphic is positioned above her.
